Description

Sunseeker Manhattan 65 2016

Designed to entertain and built to perform, this 2016 Sunseeker Manhattan 65 stands out as one of the freshest and most capable examples available in her class. With her recent comprehensive upgrades and low engine hours, she delivers the perfect combination of British craftsmanship, contemporary styling, and practical luxury — ready for immediate enjoyment.

Her semi-displacement hull offers an excellent balance of speed and efficiency, while the twin MAN 1,200 hp V8 engines provide strong performance with a comfortable cruise at 23 knots and a top speed of 33 knots. At just 1,800 hours, the engines have been well maintained and responsibly used. The yacht’s volume and layout make her ideal for both family cruising and entertaining, with four staterooms accommodating up to eight guests plus crew quarters aft.

Notable Features

- **Recent major upgrades** including new Dockmate wireless docking system, latest Starlink high-speed internet, all-new larger Garmin electronics at both helm stations, new exterior upholstery, updated air conditioning, and refreshed sound system
- **Turnkey condition** — new batteries (July 2024), new battery charger, and recent professional engine and generator service
- **Spacious four-cabin layout** featuring a full-beam master stateroom aft with walk-in wardrobe and en-suite, forward VIP, and two additional guest cabins
- **Exceptional flybridge** with dedicated helm, generous seating, dining area, and sunbathing space — perfect for entertaining
- **Effortless handling** thanks to the Dockmate system, hydraulic steering, and bow thruster controls
- **Modern connectivity** with the latest Starlink system — ideal for remote work, streaming, or staying in touch while cruising
- **Strong performance & range** — 23-knot cruise, 270 nm range, and a smooth, comfortable ride in varied conditions
- **Pride-of-ownership details** throughout, including new crew-quarter flooring and high-quality interior finishes

This Manhattan 65 has been thoughtfully updated and consistently maintained, making her a standout opportunity for a buyer who wants a stylish, well-equipped yacht without the typical delays or expenses of a major refit.

Recent Upgrades & Maintenance

This 2016 Sunseeker Manhattan 65 has received meaningful, recent investment that positions her as a standout, turnkey example in her class:

- **Dockmate wireless docking system** — Effortless, precise control from anywhere on board (major safety and convenience upgrade)
- **Starlink high-speed satellite internet** (latest faster model) — Reliable connectivity for work, streaming, and remote operations
- **All new larger Garmin electronics suite** — Expanded displays and modern navigation at both the main helm and flybridge
- **New exterior upholstery** throughout the flybridge and cockpit — Fresh, clean, and inviting appearance
- **New air conditioning units** in the salon and all guest staterooms — Improved comfort and reliability
- **Upgraded premium sound system** — Enhanced audio experience throughout the yacht
- **New ice maker** — Added convenience for entertaining
- **New main battery charger and new batteries** (July 2024) — Full electrical system refresh for dependable power
- **New flooring** in the crew quarters — Updated and refreshed crew accommodations
- **Comprehensive engines and generator service** — Recently completed for peace of mind and optimal performance

These upgrades, combined with her low engine hours and consistent professional maintenance, make this Manhattan 65 exceptionally well-equipped and ready for immediate use.
