This exceptional yacht masterfully combines exhilarating performance with sophisticated luxury. Powered by twin MAN 1100hp engines, it delivers impressive speed and handling, while the advanced hull design provides a smooth, stable ride even in challenging conditions. Extremely well maintained and continually enjoyed, all systems are in excellent working order, with numerous recent upgrades and services ensuring reliability and peace of mind.

The versatile layout excels for both private enjoyment and entertaining guests. On deck, unwind on the expansive bow or aft sunpads, cool off with a swim via the hydraulic swim platform, or relax in the shade beneath the retractable electric awning. The open-concept main salon features stackable panoramic glass doors that create a seamless indoor-outdoor flow, complemented by an L-shaped sofa, a wood dining/coffee table, and a hidden high-low TV. Below deck, a fully equipped galley with dining area leads to three well-appointed staterooms accommodating up to six guests in comfort.
