Description

Intrepid 400 Center Console 2019

This Intrepid 400 Center Console is an easy-to-see, Bristol-condition boat from a two-boat owner ready to move. Lift-kept since new with no bottom paint and maintained on a strict service schedule, she is turnkey and shows extremely well.

She is an outstanding day boat and fishing platform. The spacious walkaround layout makes it easy to move around the boat, and a convenient day head adds real comfort for longer days on the water. There is plenty of seating to soak up the sun forward, or relax in the shade under the hardtop. Equally capable for a run to the sandbar or a serious fishing day, she would also make an excellent tender and fits perfectly on a lift behind the house.
